

Ibbenbüren,

February the 12th 2021.

Dear Xoliswa,

Thank you for your lovely letter, we were very happy about it. How are you and your Baby? It's a girl or a boy and how old is it? We are happy for you and hope you are well. How is the current situation with corona, with you? We are currently in the 3rd lockdown and that's why we are home-schooled... How the weather with you? With us the temperatures were below -2 degrees and it was snowing! Can you currently go to school? We look forward to your answer.

Love's of love - and best wishes :)

Your **Class 8** ❤️ 😊
